And finally, there was us, the grand finale. As soon as Harry and I got up with our hoods on everyone started whistling. It was a good feeling to be applauded.....Connor

I'm positive that all the children had great fun performing. Like always Beverford puts on a great show entertaining all the people in the crowd.... Chloe

My costume was pretty much the best. I had an awesome jumper with an awesome face on it. I also had some padding which made me extra unique. But all Connor was wearing was pyjamas which I guess was kind of unique too. Overhaul we were the best performance.... Harry

I was a witch doctor and there were others like monkeys and tigers, there was also Pumbaa and Timon from the Lion King... Tom

The costumes were all outstanding and breathtaking and the witch doctor girls had head pieces that were overworked with feathers. According to everyone in the audience Beverford was the best..... Amelia

The other acts, dances and choirs were pretty good. But once again Miss Natasha worked her magic and made our dance awesome..... Mia

I think that it is the best Extravaganza I have done.

We got to wear awesome face paint but I didn't like the lipstick.

The second act was the Specialist school and it was funny. They did the Three Billy Goats Gruff and every time the fish came up I heard a baby cry.

Swan Hill School did choir and it was a good song. We were the best.

It had a theme of the jungle. There were tigers monkeys and witch doctors and of course Puma and TimonenElla
