### Footy Colours Day Thursday, September 1

Come dressed in your favourite team's colours.

A gold coin donation is requested on this day. The money will go to 'Fight Cancer Foundation'.

Learners with cancer who are absent from school for long periods often become isolated from their school and friends. Many drop class levels when they return to school and find it difficult to engage with their education. Fight Cancer Foundation's education support program enables young learners to maintain their education and connection with their school and school friends. They are also supported by a flexible, tailored education program that works around their illness and treatment, allowing them to resume their lives as quickly as possible.

### Messenger Dogs- Puppet Show at school Thursday, September 8 9.30am

Proudly brought to you by the Victorian Government as part of the Anzac Centenary and produced by Cultural Infusions.

Meet the fourth division 'Messenger Dogs' Nell, Trick and Bullet and see WWI through their eyes. Their tales are of courage, determination, endurance and mateship on the frontline working alongside the Australian Imperial Force. Responsible for carrying messages from the front line back to headquarters their stories sometimes go unrecognised – but to those who served over a hundred years ago, and even those who serve today, dogs play an important role and not just as loyal companions.
