Fruit Fly Trap Distribution

Queensland Fruit Fly Traps

The school has been given an opportunity to participate in the distribution of the fruit fly traps again this winter. This program is lead by Swan Hill Rural City Council, and run out across the region, to combat fruit fly to ensure that our horticultural Industries can grow quality fruit and be able to sell their produce across Australia and Internationally.

We have 200 traps to distribute (the school will receive \$2/trap).

Important things to note:

- The traps will be at school on Friday for pick up
- All traps need to be distributed by no later than 7th August
- do not drop off traps at orchards, they have their own systems to combat fruit fly
- Two traps per household
- If a property has quite a number of trees, more can be dropped off
- a list will be at school to nominate roads for delivery

Please support our school and our local growers in this important activity. You can always call Mel 0408 052 845 if you have any questions.

Milo and Slice

The school had milo and slice day I'm am not a big fan of milo but it was good and on the day it was cold and raining so it warmed me up and the slice was great. My favourite was the mint slice but the other slices were good too. Thank you to the mums who did it. Josh

Dear parents that made the slice and milo it was delicious. I liked the jelly slice the best but the others were nice too. It must had taken a long time to make 28 of them. I'm sure everyone sat down very happy with their slice and milo. Thank you Jasmine

To the mums,

You all did a good job on slice and Milo day. The slices were tasty and the Milo was to die for. I can't forget about the hot tasty Milo with white and pink marshmallows floating on top. I wanted to feed my face with more slices and Milo except I couldn't. Thank you for making the delicious slices for us and the worming Milo.

P.S. finally the teachers chose a good day for Milo and slice. The cold weather was horrid but the delicious Milo kept us warm. Chloe

On Milo and slice day we got 3 slices each and a Milo with two marshmallows. I sat with Ella and traded my jelly slice for her lemon one. Ella had a bubble bar as well and she put one of the chocolate chips in her Milo, I asked what it tasted like and she gave me a chocolate chip for me to try and it was good. I didn't like the mint chocolate slice very much but I ate it anyway. I liked slice day and hope we have more. Amy

Dear mums,

Thank you for presenting us with plastic plates full of delicious slices and cups filled to the top with Milo and marshmallows. I'm sure everybody enjoyed the sweet slices and hot Milo. I loved the marshmallows as they melted in my mouth and the hot Milo was perfect for a cold winter's day. I also got the rest of Esthers☺. The whole time I thought I was in heaven. I would like to thank the mothers for providing us with these slices along with the Milos. Courtesy, Connor

To Sophie, Loretta and Emma

Thank you for the wonderful slices they were all so good, also the warming hot chocolate went really well with the freezing and unpleasant weather. It was a highlight of the day. We should definitely have Milo and slice day again because I'm sure everyone would love to. Mia

I wish that we could have Milo and slice day more often. We had it last Monday and it was really fantastic. There was mint slice, lemon slice and jelly slice and the Milo was warming and it had 2 marshmallows in it. The Milo was great because it was hot, my favourite slice was the mint slice and I don't really like Milo. Thomas

Last Monday we had delicious Milo and slice. It was so good that I wanted seconds but sadly the teachers ate the rest (what a shame). The mums must be aliens from another planet because the Milo was really good. I actually thought I was in a milo paradise. I would definitely recommend it to other schools.

Harry

Dear Sophie, Emma and Loretta

The slice and milo were delicious. I liked the chocolate mint slice the best but the others were nice too. It must have taken a long time to make 28 milos and slices but I'm sure everybody sat down very happily with their milo and slice. Thankyou Ella

On Milo and slice day we had 3 slices each. We also got 2 marshmallows in the milo. There were different slices: mint, chocolate, lemon and jelly. I hope we have another Milo and slice day. Hailee
