

# OVERPORT PRIMARY SCHOOL COMPLAINTS POLICY

## PURPOSE

The purpose of this policy is to:

- provide an outline of the complaints process at **Overport Primary School** so that parents and members of the community are informed of how they can raise complaints or concerns about issues arising at our school
- ensure that all complaints regarding **Overport Primary School** are managed in a timely, effective, fair and respectful manner.

## SCOPE

**This policy relates to complaints brought by parents, carers, students or members of our school community and applies to all matters relating to our school.**

**In some limited instances, we may need to refer the complainant to another Department of Education and Training process where there are different mechanisms in place to review certain decisions, for example, expulsion appeals.**

## POLICY

**Overport Primary School** welcomes feedback, both positive and negative, and is committed to continuous improvement. We value open communication with our families and are committed to understanding complaints and addressing them appropriately. We recognise that the complaints process provides an important opportunity for reflection and learning.

We value and encourage open and positive relationships with our school community. We understand that it is in the best interests of students for there to be a trusting relationship between families and our school.

When addressing a complaint, it is expected that all parties will:

- be considerate of each other's views and respect each other's role
- be focused on resolution of the complaint, with the interests of the student involved at the centre
- act in good faith and cooperation
- behave with respect and courtesy
- respect the privacy and confidentiality of those involved, as appropriate
- operate within and seek reasonable resolutions that comply with any applicable legislation and Department policy.
- recognise that schools and the Department may be subject to legal constraints on their ability to act or disclose information in some circumstances.

### Complaints and concerns process for students

**Overport Primary School** acknowledges that issues or concerns can cause stress or worry for students and impact their wellbeing and learning. **Overport Primary School** encourages our students to raise issues or concerns as they arise so that we can work together to resolve them.

Students with a concern or complaint can raise them with a trusted adult at school, for example, with their classroom teacher, Year Level Coordinators, Wellbeing staff, Koorie Education Support Officers, or Education Support staff. This person will take your concern or complaint seriously and will explain to you what steps we can take to try to resolve the issue and support you.

You can also ask your parent, carer or another trusted adult outside of the school, to talk to us about the issue instead. Information about our parent/carer complaints and concerns process is outlined further below. The parent/carer process also applies to students who are mature minors, refer to: [Mature Minors and Decision Making](#).

Further information and resources to support students to raise issues or concerns are available at:

## Complaints and concerns process for parents, carers and community members

### Preparation for raising a concern or complaint

**Overport Primary School** encourages parents, carers or members of the community who may wish to submit a complaint to:

- carefully consider the issues you would like to discuss
- remember you may not have all the facts relating to the issues that you want to raise
- think about how the matter could be resolved
- be informed by checking the policies and guidelines set by the Department

### Support person

You are welcome to have a support person to assist you in raising a complaint or concern with our school. Please advise us if you wish to have a support person to assist you, and provide their name, contact details, and their relationship to you.

### Raising a concern

**Overport Primary School** is always happy to discuss with parents/carers and community members any concerns that they may have. Concerns in the first instance should be directed your child's teacher. Where possible, school staff will work with you to ensure that your concerns are appropriately addressed.

### Making a complaint

Where concerns cannot be resolved in this way, parents or community members may wish to make a formal complaint to the Principal or Assistant Principal.

If you would like to make a formal complaint, in most cases, depending on the nature of the complaint raised, our school will first seek to understand the issues and will then convene a resolution meeting with the aim of resolving the complaint together. The following process will apply:

- 1. Complaint received:** Please either email, telephone or arrange a meeting through the front office with the Assistant Principal or Principal, to outline your complaint so that we can fully understand what the issues are. We can discuss your complaint in a way that is convenient for you, whether in writing, in person or over the phone.
- 2. Information gathering:** Depending on the issues raised in the complaint, the Principal, Assistant Principal or nominee may need to gather further information to properly understand the situation. This process may also involve speaking to others to obtain details about the situation or the concerns raised.
- 3. Response:** A resolution meeting will be arranged to discuss the complaint with the objective of reaching a resolution satisfactory to all parties. A face-to-face resolution meeting provides the best opportunity to repair relationships between complainants and the school.

- 4. Timelines:** **Overport Primary School** will acknowledge receipt of your complaint as soon as possible (usually within two school days) and will seek to resolve complaints in a timely manner. Depending on the complexity of the complaint, **Overport Primary School** may need some time to gather enough information to fully understand the circumstances of your complaint. We will endeavour to complete any necessary information gathering and hold a resolution meeting where appropriate within a week of the complaint being raised. In situations where further time is required, **Overport Primary School** will consult with you and discuss any interim solutions to the dispute that can be put in place.

[Note: Schools must:

1. keep written records of complaints which relate to the Child Information Sharing Scheme and the Family Violence Information Sharing Scheme to meet regulatory requirements - refer to [Child and Family Violence Information Sharing Schemes](#) for further information  
for other complaints, keep a written record of serious, substantial or unusual complaints that require resolution actions and document all steps taken to achieve agreement].

Please note that unreasonable conduct (e.g. vexatious complaints) may need to be managed differently to the procedures in this policy.

## Resolution

Where appropriate, **Overport Primary School** may seek to resolve a complaint by:

- an apology or expression of regret
- a change of decision
- a change of procedure or practice
- offering the opportunity for student counselling or other support
- other actions consistent with school values that are intended to support the student, parent and school relationship, engagement, and participation in the school community.

In some circumstances, **Overport Primary School** may also ask you to attend a meeting with an independent third party, or participate in a mediation with an accredited mediator to assist in the resolution of the dispute.

## Escalation

If you are not satisfied that your complaint has been resolved by the school, or if your complaint is about the Principal and you do not want to raise it directly with them, then the complaint should be referred to the Community Liaison Officer of the South East region by contacting 1300 338 738 or [sevr@education.vic.gov.au](mailto:sevr@education.vic.gov.au)

**Overport Primary School** may also refer a complaint to the Senior Education Improvement Leader (SEIL) if we believe that we have done all we can to address the complaint.
