I would like to sincerely thank everyone who has helped in many ways around the school this year. There has been much done by many people which can at times go unnoticed. It would be difficult for me to list all the helpers and jobs done, as I would undoubtedly leave some out.

Again thanks for all the help.

To all the grade 6 students leaving we wish you all success at your secondary schools. To all students, but especially for the grade sixes, remember the most important thing you can do at school is to listen and listen hard and always be nice.

If anyone needs to call me at anytime, please feel free to do so.

Finally, I wish all a Happy Christmas and a fulfilling 2018.

Farewell to our grade sixes.
Enjoy whatever you do, be nice and listen hard.

Very well done to all the performers.
An excellent concert.
