BBB

I have made a tentative booking at the Tavern to have a General meeting out the back on Sunday 10th May (not an AGM) at 7pm with some savouries during the meeting. We have had a suggestion that we run an event for the Hospice Appeal and also plan some events for during the year. We have applied for several lots of funding and just waiting now to see how we go. One is for new playground equipment at the school and the other is to run some "user friendly" computer classes for district people where those with a good knowledge of computers will share their skills. Please let me know how this time and date suits and if you are wanting meals before the meeting you will need to book with Paul and Leonie at the Tavern.

Please let us know if you have any issues that you want raised. We are also looking for some new committee members as we feel "new ideas" would benefit the area and community.
