Casual Dress Day

On Friday the 26th of June, Beverford School will hold a Character Day. Character Day is a day where everyone can come to school dressed up as a character from a movie, a book or a TV show. A gold coin donation will help MS progress their research to find a cure for MS. Multiple Sclerosis is a disease that damages nerves in the eyes, spinal cord and brain. MS is progressive and unpredictable. It can cause problems with vision, balance, muscle control, and other basic body function. There are no medications to cure MS, but there are treatments that can shorten the duration of attacks. MS is the most common chronic disease of the central nervous system among young Australians. Victoria has more people with MS than any other state in Australia.

Head Lice

School Nurse Kerrie McCosh conducted a head lice inspection yesterday (Tuesday). Each student was given a slip of paper noting the results of the inspection. Please take appropriate action if necessary.

Extravaganza

Thanks very much to the mums who have been helping with the bird costumes.

- All girls need a pair of black leggings which come just below the knee as they have to have yellow legs added to it. It would be great if they could be sent to school ASAP.
- All boys need black tracksuit pants but no need to send them yet.
- All children will need a colourful T shirt but we will notify you of the colour later. They will be specific colour so please don't send or buy one yet.

I like the slide because you can slide fast down it. I like going down the slide backwards. I like Violet trying to catch me going down. Tayla
