Casual Dress Day

On Friday the 26th of June, Beverford School will hold a Character Day. Character Day is a day where everyone can come to school dressed up as a character from a movie, a book or a TV show. A gold coin donation will help MS progress their research to find a cure for MS. Multiple Sclerosis is a disease that damages nerves in the eyes, spinal cord and brain. MS is progressive and unpredictable. It can cause problems with vision, balance, muscle control, and other basic body function. There are no medications to cure MS, but there are treatments that can shorten the duration of attacks. MS is the most common chronic disease of the central nervous system among young Australians. Victoria has more people with MS than any other state in Australia.

Getting ready for the Extravaganza

Extravaganza

Thanks very much to the mums who have been helping with the bird costumes.

- All girls need a pair of black leggings which come just below the knee as they have to have yellow legs added to it. It would be great if they could be sent to school ASAP. **Please have them here in the first week of term as they will need to have legs attached.**
- All boys need black tracksuit pants but no need to send them yet.
- All children will need a colourful T shirt but we will notify you of the colour later. They will be specific colour so please don't send or buy one yet.
