Kid's Spot		<p>I like playing games on my computer in the morning. My favourite game is Agario. There is a little ball that follows your mouse and you have to get bigger and bigger and try not to get eaten.</p> <p style="text-align: right;">Josh</p>

Parent Opinion Survey.....important to get as many surveys back as possible.

Each year Education Victoria conducts an opinion survey of all the school community to help inform and direct our future school planning and improvement.

The survey is designed to take **no more than 20 minutes to complete** and your feedback and opinions play an important role in making our school the best it can possibly be.

Please be assured that your responses are completely confidential. The survey is conducted anonymously and it is important to us that you complete the survey as honestly as possible. Your comments in the final, open-ended question will be scanned and provided back to the school.

I ask you to take the time to complete the survey as your opinions are important to us and will contribute to the future management and organisation of our school.

When completed please seal your survey in the envelope provided and write your child's name and year level on the back of the envelope. Your child's name will only be used to record you have returned the survey. The sealed envelope will not be opened by the school but will be sent to an independent organisation for collation and reporting. The results will be shared with parents via the School Council later in the year.

Please return your completed survey to school by **Friday, 31st July 2015.**

Please note this survey is conducted by Victorian Education and every school in the state participates.
