BIKE EDUCATION

The Bike Education Program is in full swing at the school and will continue for the remainder of the term.

The Senior students have been learning to ride bikes and scooters safely. A modified program is also being delivered to the Junior students by Miss Fairley.

Next week senior students will be riding along School Road at the front of the school using mock road signs.

An obstacle and skills course will also be set up.

PUPIL FREE DAY this Friday (June 14)!

Principal's Report

SHORT WEEK

We have crammed a lot into this very short week due to the Queen's Birthday Public Holiday on Monday and the Pupil Free Day on Friday.

Last week the Junior students thoroughly enjoyed their Fun Day at the Nyah District Primary School. The Senior students dominated the netball court and the soccer field. The soccer team won the Division B competition. We would like to thank all of the parents who helped out and popped in to cheer the students along. Congratulations to Billy, Lachlan and Liam who have been selected in the District AFL Football team and to Jackson, Zach, Ben and Lukas who will be representing the District in Soccer. The Zone Winter Sports are held in Swan Hill on Monday June 24. A note will go home to these parents next week.

Staff have been very busy writing reports after hours and on weekends. I thank Abbey and Cindy for their dedication to the students of our great school. A reminder reports will be sent home on Monday of week 10. School Council have approved a new report format and feedback from parents will be gathered after this reporting cycle.

The Bike Education Program for students in Grade 3 – 6 has continued this week. Students have been allowed to ride the bikes and scooters at break times also. The Junior students have also been involved in a modified program. It has been a lot of fun and students have understood and demonstrated safe practices.

On Tuesday June 18, we have a guest speaker running the Responsible Pet Ownership Program at the school. I have had experience with this program in the past and found it very educational and informative for both students and staff.

The Earn & Learn program at Woolworths continues until June 25. Please fill out your sticker pages or place them into the box at Woolworths or at school. More sticker pages are available at school.

This week we congratulate the following students on their awards.

Junior Student of the Week

Ella – for working hard on completing homework and home reading.

Senior Student of the Week

Kiara – for working hard on improving her organisation at school and at home.

Principal Award

Lukas – for having a very positive and mature attitude at the Winter Sports.

Enjoy your Week,
Thanks, Phil

Principal Award Winner – Lukas Hill.

School Council

A reminder we have a School Council Meeting on this evening (June 12) at 7pm.

Pupil Free Day

This Friday June 14, we have a Pupil Free Day, which will allow staff to begin the self-evaluation of the 2016-2019 Strategic Plan. This will be a complex task as the current staff have only been here for a small part of this strategic plan.

Girl's netball team at the Winter Sports.

A lunchtime group photographed in front of the Bike Education Shipping Container.

Zach mountain biking off road in the school yard.

Students of the Week: Ella & Kiara.

Ella practicing on a scooter.
