Responsible Pet Ownership Workshop

Responsible Pet Ownership

Yesterday, Tuesday June 18, Tracey from the Responsible Pet Ownership Program was a guest speaker at the school along with her two dogs Hannah and Podge.

Students learnt safe ways to treat and handle animals and were given strategies if they ever meet or come across a dog not known to them.

The students enjoyed the workshop which was conducted in the lounge room of the school.

Principal's Report

ALMOST HALF WAY

Does anyone know where that Semester has gone? But we are nearly at the half way mark of the school year. In reflection, it has been a great start to the year with all students showing some very positive progress in their individual learning.

Reports will be sent home on Monday June 24 with students in sealed envelopes. If you have any questions about the report, please contact the classroom teacher or myself for a meeting. There will be a parent comment sheet inside the envelope seeking feedback on the new reporting format but also on your opinion on how the school is functioning overall.

Last week at our School Council Meeting members gave feedback to help complete a self-evaluation for the School Review in Term 4. The feedback was mostly around how the school is increasing engagement with families by raising communication levels and increasing the opportunities for families to come to school for parent/teacher interviews and celebration days. Other feedback included the acknowledgement of student achievement through the introduction of weekly assemblies and parent interviews and also the use of the re-vamped newsletter and Facebook.

Good luck to Lachlan, Billy and Liam representing the District Football side at the Zone Winter Sports and Ben, Jackson, Lukas and Zach in the District Soccer team on Monday June 21. Miss Washbrook is coaching the Soccer team at Ken Harrison Recreation Reserves and Mr Harrop from Nyah is coaching the football at the Alan Garden Reserve.

On Friday some students from the Senior Room will attend the AFL football clinic in Swan Hill ran by Carlton footballers. Thanks to Rohan Shadbolt and Kristen Moloney for transporting and supervising the students.

This week we congratulate the following students on their awards.

Junior Student of the Week

Oscar Coates – for working very hard on his writing and improving his homework.

Senior Student of the Week

Jackson McNees – for asking excellent questions and having a go at all Maths tasks.

Principal Award

Ben Van Liessum – for developing a very positive attitude to all aspects of school.

Enjoy your Week,
Thanks, Phil

Principal Award Winner – Ben Van Liessum.

Farewell Lunch for Miss Washbrook

A farewell lunch for Miss Washbrook will take place during her final day of teaching at BDPS, which is next Thursday June 27. We will have a picnic style lunch between 1.00 and 2.00pm if weather is permitting. Families are invited to pop in and farewell Cindy who will be missed greatly by everyone involved with the school. **This will be a Free Dress Day also.**

July 7 Farmer's Market

The school will be running another stall in the July and August after the successful market a few weeks ago.. The fundraising committee are now desperately looking for volunteers to assist with the Soup, Dim Sim and Biscuit Stall to be held at the Farmer's Market this Sunday July 7 at Riverside Park. The stall runs from 8.30am – 12.30pm. (middle of school holidays)

If you are able to work on the stall, please fill in the slip below and return it to school by Monday June 24.

Bike Education

This week has been huge for Bike Education, students have been practicing along School Road in front of the school. This has given the students more 'real' riding experiences. We have learnt about signaling, head checks, obeying road signs & rules and starting off in the power position.

It is a credit to the students on how responsible they have been during the bike education program. The feedback from the students has been very positive about the program so far.
