Winter Sports

Last Thursday, students in Grade 3-6 competed in the Winter Sports. Beverford entered a netball and soccer team, with both teams finishing second overall.

Both teams were complemented by staff from other schools on their exemplary behaviour, encouragement for each other and team work. Students chosen to represent the district team in netball are Ella and Tillie and for soccer Phoenix, Emma, Quordel and Darcy.

It is always a pleasure to take our students on excursions and sports day. Congratulations kids, keep being awesome!

Principal's Report

Three Weeks to Go!

We have a very busy final three weeks of Term 2 planned. Staff are currently completing final assessments and writing **Semester 1 reports**. The reports will be sent home during the final week of term. I would like to thank our teachers for all of the extra hours they have been doing on reporting.

The **Prep to Grade 2 Fun Day** hosted by NDPS last Thursday was a huge success. Our students were involved in a range of sports and novelty games, as well as learning about healthy eating and keeping safe. A big thanks to Mrs Paynter from Nyah for organising the day.

Congratulations to Tayla, Emma, Breannah, Sommer, Meg & Malika who represented the **Swan Hill District Schools Girls Football Team**. The girls had a great day!

We are currently advertising the school for **2023 Prep Enrolments**. If you know any families who have a Prep student starting next year, please encourage them to contact us at school for a tour. Alternatively, please pass on the family details and I can make contact. We have been conducting a number of tours already for prospective families, which is very promising.

A reminder to School councilors there is a **School Council** meeting next Wednesday June 15 at 7pm.

Sadly for BDPS, the **Schulz family** are moving to Broken Hill during the Winter Holidays. I would like to wish Tilly and her family Chris, Eve and Thomas all the best in the future and thank them for their contribution at BDPS. Stay in touch!

A reminder on the **final day of term** (Friday June 24) the school day ends one hour early at 2.20pm.

We congratulate the following students on their awards:

Fundraising Committee

As advertised in the last newsletter, the School is going to separate the Fundraising Committee from School Council. This will allow parents who are not members of School Council to be on the Fundraising Committee. School Councilors may be on both committees if they wish. At this stage we only have a couple of volunteers for the committee, so I thought we would re-advertise. Please fill out the form below if you are interested in being on the committee and return to school by Monday June 13.

BDPS FUNDRAISING COMMITTEE

I would like to be on the BDPS Fundraising Committee for the remainder of 2022.

I would prefer meetings: Before / During / After School (please circle)

Days that suit be are: Mon / Tues / Wed / Thurs / Fri (please circle)

RESPECT

RESPONSIBILITY

RESILIENCE

SWPBS

This week in wellbeing we are focusing on our School Wide Positive Behaviour Support Value of

RESPECT

In the toilets we show RESPECT by...

- keeping the walls, floors and stalls clean
- letting everyone have their privacy
- using the toilets for their correct purpose
- talking quietly

Classroom teachers will be awarding 'Student of The Week' to a student in their class who has shown outstanding RESPECT

ZONES OF REGULATION: THE GREEN ZONE

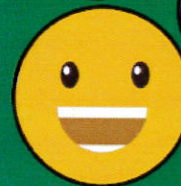

The Green Zone is used to describe a regulated state of alertness. A person may be described as calm, happy, focussed or content when in the Green Zone. This is the zone students generally need to be in for school work and for being social. Being in the Green Zone shows control. Idioms I might hear about people in the Green Zone are, on top of the world, cool as a cucumber or on cloud nine. If we are in the Green Zone we can GO! We can use tools such as learning, playing with others and trying hard.
