

Principal's Report

Happy Easter

It is hard to believe we are almost at the end of Term 1. It has been an incredible term of fun and learning. This will be the final newsletter for Term 1, on behalf of the staff I would like to wish everyone a wonderful **Easter Break**. We look forward to seeing everyone back on Tuesday April 22.

On Friday March 21, the school celebrated **Harmony Day** by wearing a "touch of orange". Students participated in activities focusing on inclusion and the celebration of multiculturalism. It was a great day and we thank our staff for their organisation.

Beverford Primary School has turned 100 years old.

The School Council are inviting members of the school community and past students and families to join a committee to organise a celebration to take place later in the year. A committee will be formed and will meet early next term. Please contact the school by the end of Term 1, if you wish to join the organising committee.

As a reminder to all School Councilors, we have a **School Council Meeting** this evening (Wednesday March 26) at 7pm. This will include the Annual General Meeting (AGM) followed by our March meeting. Please contact me at school if you are an apology.

The school will again march at the **ANZAC Day Parade** in Swan Hill on April 25. More information will come out next term. Anzac Day is the first Friday of Term 2.
