P-2 Fun Day

Our Prep to Two students enjoyed the Small Schools Fun Day at Son Centre CC on Friday last week.

Our students were broken into two groups and rotated around activities including ball games, fine motor skill development, craft, circus games, drawing and mindfulness.

It was great to see our students socialising and playing with children from other schools throughout the day.

Principal's Report

Successful Summer Sports!

Last Friday March 4, our Grade 3-6 students were very successful in the **Swan Hill District Summer Sports**. Our Tee Ball team won the day overall and our Cricket team came runners up. A magnificent effort! What was even more pleasing was the manner in which our students played, demonstrating our school values. Our P-2 students also had a wonderful day on Friday at the Fun Day at Son Centre participating in many activities.

This Friday March 11 we will have a **fundraiser for the NSW/QLD floods**. We invite students to come in free dress, enjoy a barbecue lunch and a basketball clinic in the afternoon. Please ensure your child wears appropriate clothes and closed in shoes for sport and craft activities. We ask parents to send in \$5 per student, which will cover lunch and activities. All proceeds will go the flood victims.

As a part of the Sporting Schools funding that the school has received, Sharon Denham from the Swan Hill Basketball Association will be conducting **Basketball clinics** over the next 4 Friday afternoons. These will be for all students in Prep to Grade 6.

The school is hoping to restart **Lunch Orders on Fridays** in Term 2. In the past volunteer parents have ran the lunch order program. If you are interested in being a lunch order volunteer, please contact me at school by Tuesday March 15.

National Day of Action Against Bullying is on next Friday March 18. Mrs Blackmore will run a session, raising awareness across the school.

It has been wonderful having our Prep students here for the entire week. They have especially enjoyed their new Wednesday with Miss Wren and also Mrs Leahy in the **MARC Van**.

I will be away on **long service leave** for the final two weeks of Term 1 from Monday March 28 to Friday April 8. Kristy Summerhayes will be the Acting Principal during this time but will continue to teach the P-2 class.

We congratulate the following students on their awards, presented at assembly on Friday.

RESPONSIBILITY

In all settings we show responsibility by...

- Taking turns
- Using school property and equipment correctly
- Putting equipment away after we use it
- Keeping our hands and feet to ourselves
- Following all instructions

Classroom teachers will be awarding 'Student of The Week' to a student in their class who has shown outstanding RESPONSIBILITY!

RESPECTFUL RELATIONSHIPS

Respectful Relationships (RR) is an initiative to support schools to promote and model respect and equality. It also supports educators to teach our children how to build healthy relationships, resilience and confidence. In 2016, respectful relationships education became a core component of the Victorian Curriculum from foundation to year 12, and is being taught in all government schools.

Our Respectful Relationships topics for Term 1 are Emotional Literacy and Personal Strengths.

Emotional Literacy is about understanding emotions and the influence of emotions on behaviour, learning and relationships. Building a large vocabulary for emotions helps to increase emotional literacy, build self-awareness and empathy for others.

Personal Strengths is about recognising and understanding strengths and positive qualities in themselves and others.

WELL DONE!

Congratulations to the following students who have received SWPB wrist bands so far this term!
