### Winter Sports

Despite the poor weather a great day was had by all. The netball girls won a few of their games which was a great effort as they played all the strong teams too.

The soccer boys did extremely well to win all their games and then drew in the final against Manangatang. Thanks to the parents who helped out with organising, encouraging etc. on the day. It was much appreciated.

## **Nyah Fun Day**

The Prep-2 had a fun day at Nyah participating in crafts, sports clinics and a visit from the ambulance instructor. Here are the newest paramedics for the Swan Hill District.

## **Extravaganza**

**Please begin looking for the basic items of clothing required for your child's costume. These are mainly tracksuit pants/leggings and tops. They can be sent along to school anytime clearly named.**

**The witchdoctors really need lots of the items mentioned below so we can start putting things together. Please send anything that you think may be useful along with your name on it. Even if your child is not a witchdoctor you may have something hidden away which could be perfect.**

### **The Prep/1 children will be dressing as monkeys.**

The boys will need black/brown tracksuit pants and a black/brown skivvy/t-shirt/top.

The girls will need black/brown leggings and a black or brown top. We will be adding skirts, tails, ears etc.

### **The 2/3 children are going to be tigers.**

The boys will need black tracksuit pants and a black top.

The girls will be wearing black leggings and a black top.

We will be adding skirts for the girls and flashes of tiger print for boys and girls. Also ears, whiskers etc.

### **The 4/5/6 children are witchdoctors.**

This is where we need things from your dress up boxes. Please send along any grass skirts, mesh clothing, tribal looking clothing, Indian beads/feather necklaces, vests, colourful trousers, or things you can think that could suit a witchdoctor costume. They will all be different.

**Have a safe and happy holiday everyone.**
