Fashion Parade / Styling Night

Friday the 31st of March (last day of term) at 6:30pm in the school building.
\$5 entry fee which will include a 'lucky door' prize entry and nibbles.

Some help will be required on the night **but the best thing anybody can do is organise groups of friends and family to attend and promote the event.**

This should be a fabulous evening and a great chance to showcase our school to a wide audience. It is also a great opportunity to raise a large amount of funds that will ultimately end up subsidising school activities. If we do not raise money for the school there will be no subsidies for things like camps, excursions and sporting activities. The more money raised the less parents have to pay so it is essential everybody helps out where they can. Any suggestions of donations, promotions or offers of assistance would be greatly appreciated.

Teddy Bear Hospital

This program is run by Monash medical students and goes for 60 mins. It aims to familiarise children with a visit to the doctor. The students need to bring along a 'teddy' as their patient learning about plastering, immunisations, healthy eating, dental, asthma and surgery.
